- High taxes and even more ridiculous price for potable water that is being used to water the lawn
- The old mom and pop rhetoric
- lack of sales tax revenue, Cost of non-potable water, better internet
- managing growth for all
- The amount of new homes being built and not enough infrastructure (ie. parking lot for post office, Grand Ave congestion, one super market)

- over development and diversity of businesses and residents
- government control of people's lives
- Housing is out of reach for most families, traffic getting on highway 6 and adding a road through the bull pasture will add to the problem, it's already backed up from 7:20-8:00. Making a left on HW6 is dangerous at anytime with high volume traffic.
- Limiting growth and traffic . Better broadband choices!!!
- growth of the town.

While housing is needed the only way to keep building is by further intruding into wildlife habitat. The traffic is getting busy especially if there is road work. Eagle's existing infrastructure can not support an increasing population

No

The large employers of EC need to help to build the affordable housing

More is not better - if we continue to develop our open spaces with housing, we will lose the quality and character of Eagle that drew many of us here

There is very little independent housing in Eagle for seniors. My mother (80) lives with us, she's independent and Seniors on Broadway has a 10 year wait list we were told.

HOA dues are skyrocketing

There needs to be affordable housing for small families with outdoor space adjacent. No more million dollar second homes. These do not build community.

Too many new developments pushing wildlife out of their wintering grounds

None

Access to the interstate needs to be improved before many more houses are built.

Employee housing is being abused by non-employee's.

Opposed to the addition of RV parks/campgrounds in our community.

Small group making decisions in their own interest. We are extremely dissatisfied with the lack of attention to alleys and building codes = planned obsolescence.
you rarely know that anything is going on or is available for comment. especially planning - seems to be a closed door process with the public only invited when it's too late to comment or have any impact.

their windows up all the time like they are afraid of the community, or perhaps they are afraid because of how they interact with the public. Get rid of the "Booze Fest" and other similar events that do not reflect the true family atmosphere Eagle says it is so proud of. Get rid of the "good ole boys club of politics" and actually start to represent the needs and values of the overall community instead of a few select "long time locals" who are afraid of loosing what they thought Eagle was.... I see an awful lot of TOE Public works trucks driving around all the time. What are they actually doing? Seems like a lot of driving and not much doing. They are also not very friendly. What about the "Dark Sky" initiative and ordinances that TOE supposedly has? Why is that the TOE claims to have this protected, yet, the Eagle Town Park has added lights and is lit up like a runway at night, eliminating the dark skies of the town... Once again, just another opportunity that the TOE seems to have a double standard for them, when it only good for them. Like I tell my neighbors, friends and associates, having the TOE as a neighbor is like having a bad neighbor living next door. They do not listen, they do not care to ask those they impact and affect when you live next to a TOE owned property... Seems like a great opportunity for the TOE to address... Why am I paying an increase in water rates again this year? Seems like they continue to gouge and poorly manage this resource at the tax payers expense. Why do I continue to pay \$2.00 every month for the TOE yard waste sight when I have never used it? Simply because an old Town Manager Turned Mayor thought it would be great to get everyone to pay for a service that is only used by a select few who have a yard or tree business in this town. Stop gouging us for a service that is only used by a few people. Charge those who use the service and stop gouging the rest of us... What about the Waste Water fee I am paying on my monthly bill. Where I live there is no waste water drainage, so it all runs down hill and eventually into the old town irrigation ditches that the TOE took over and do not maintain. When will the TOE actually install real storm water drainage and make the infrastructure what it should be for the town? Once again, what am I paying for with my fee (TAX) on my monthly bill. How about that snow plowing schedule? Can you please explain how that actually works? I am so confused by the lack of a consistent schedule. I try to wait until the TOE plow has finished before I go out and snow blow my driveways, because every time they go by, the windrow just buries my driveway again. I can not figure out when they will come out, when they will be done, and what rime or reason they follow... Large plow, small plows flying up and down the streets all over the place with no real system... Can we get some system in place that is shared with the residents?

For example, there is an empty lot in the 400 block of Broadway (the house was torn down recently; i don't know exact address). I called the realtor to ask about the property, and he told me it's two city lots and has been approved to hold X feet of commercial space and eighteen 2-bedroom units. It's hard to imagine that many buildings on that tiny space, but even worse, WHERE ARE ALL THOSE PEOPLE GOING TO PARK?? The same is true of the building going up now at the other end of Broadway (near Grand; where Charlie Brown's bike shop used to be). Why was parking not taken into consideration? If we want to draw people to Broadway, we need	2/8/2021 8:34 PM

864	Highway 6, Professional Government body that actually talks with citizens and reaches out to the community, not just the one who will give a back slap and a good ole boy wink to the "Community Outreach" the TOE says is does... Wink Wink!!!! Covid-19 spread. The TOE businesses in this town; they complain about the lack of business opportunity, yet, their hours are not business friendly, they are less than friendly to customers, and seem to have an entitled attitude that reflects poorly on the overall community... Hence, when you combine the business and government culture, attitude, and lack of friendliness, it combines to an attitude that is less than appealing for people to want to invest in and build a thriving community. The moniker that the TOE takes pride in "Being Weird" is just the tip of the problems this town has to overcome in becoming a viable community. The TOE is dying on the vine, and has suffered from poor management and business decisions for the past 40 years + and unfortunately it will take true leadership, truth, and honest self reflection to begin to make a change to what needs to take place. I have given up in trying to engage the TOE, and so has many of my friends, neighbors, and associates because when they do, you get the deer in the head lights look like the TOE does not understand what we are trying to tell them.... The TOE has set a terrible president in letting people camp in town boundaries. This is a very poor policy as it does not provide for many economic advantages and allows people to camp around the Town Park and use resources without paying for them.... I get tired of people camping around the Park and other areas of town.... This is a very poor policy and I hope the TOE will start to enforce the no	2/7/2021 2:54 PM

19	We need to get much more creative when it comes to development. Developers are not going to solve the problem. It will take a public/private partnership in order to truly solve the housing crisis. We need to borrow ideas from communities that are making housing a priority and being truly innovative on space, parking restrictions and vertical infill.	3/25/2021 10:13 AM
20	I am unaware if this exists already, but I would like to see locked costs on some housing for locals. Growth requires mores housing, but I think Eagle needs to be progressive in how we develop new housing areas. New housing communities can have more basic necessities close by to cut down on cross town traffic. Trail connectivity through town will make it safer for pedestrians and riders. Access to garden spaces to support the growth of the local food movement.	3/25/2021 8:38 AM

25	Raise property taxes for large homes, overly expensive homes, homes that sit vacant. At this point, the housing situation seems extremely detached from the economic reality of most people living or working in Eagle or the Eagle River Valley	3/24/2021 1:44 PM
26	Miller Ranch is Eagle County's premier affordable housing community. Eagle can do this too! People migrate primarily between 20s-40s. If communities do not have incentives and opportunities for them to stay they'll start their families elsewhere, which has a negative long-term economic impact on the communities they leave.	3/24/2021 12:17 PM

29	Instead of tiny homes mashed together or massive mansions in Eagle Ranch, with new neighborhoods I believe it beneficial to create 2-3 acre parcels for family homes to ignite and maintain the agriculture feel of our town. This would support young children wanting to participate in 4-H, etc, maybe those families who live here for reasons other than skiing.	3/17/2021 1:17 PM

35	As a county government employee, I still do not make enough to live affordably. The only reason I can afford rent now is because my landlady gave me a large discount for being a county employee.	3/14/2021 5:29 PM
36	It won't be fixed by building more "affordable" housing	3/13/2021 7:17 AM
37	The large developments are taking over the town. It would be nice if the small guys had the same opportunity to build homes in Eagle	3/11/2021 9:02 PM
38	We need less multi-family dwellings that bring property values down	3/11/2021 3:01 PM
39	As the population of seniors grows affordable housing (not 600 or 800 sf) needs to be available. And not just "assisted living" that many can't afford	3/11/2021 12:13 PM
40	Create more affordable housing through deed restrictions and town down payment assistance. Barrier of entry is too steep. Hold developers accountable to bring affordable homes to the market. RE transfer tax on developments to help fund town sponsored housing programs.	3/10/2021 10:49 PM
41	I don't want to see Eagle become a densely populated town with large, unattractive housing developments and potential RV parks. We moved from Monument, Co which was once a small, lovely town that grew into a sprawling one with little open space.	3/10/2021 6:23 PM
42	Not really	3/10/2021 5:35 PM
43	Need for smaller, ranch style, low maintenance homes that are close to services and affordable	3/10/2021 4:54 PM

46	Infill is great. Gentrification sucks.	3/9/2021 6:47 PM
47	We dont need 500 unit apt building...oh yeah done deal	3/9/2021 5:36 PM
48	Please think carefully about the traffic impact when approving high density housing in Eagle! We can't just keep building and adding, or we'll all be living the traffic nightmare we are in	3/9/2021 3:35 PM

	Eagle to avoid.	
49	We are concerned that people like us (working families, making sufficient but not extraordinary income), will not be able to buy into this market. That makes us concerned that we won't have a vibrant community of working people, and it will shift the community.	3/9/2021 3:17 PM
50	We need affordable single family homes	3/9/2021 1:51 PM
51	Do not build short term rental properties. Opening door to problems.	3/9/2021 12:01 PM
52	an increase in ADU size	3/9/2021 11:10 AM
53	Need more homes in the 400-600k range. Most all new homes are \$700-800k unaffordable for most small business owners/families who are local	3/9/2021 10:27 AM
54	no	3/9/2021 9:37 AM
55	town can do better in managing growth and working with property owners and associated building fees/costs	3/9/2021 8:40 AM
56	I'm concerned about the skyrocketing home prices that seem to be becoming occupied by second home owners.	3/8/2021 9:14 PM
57	we should require residents to live in Eagle 10 months or more a year.	3/8/2021 6:38 PM
58	no ideas, but I'd like to see more deed-restricted housing available for Eagle residents	3/8/2021 4:03 PM
59	I hope efforts are made to preserve it as a small town	3/8/2021 3:46 PM
60	I am worried about the development of old eagle into high-density units condos etc. old eagle is cool, lets not make it another denver.	3/8/2021 2:58 PM
61	I would like see affordable housing for the first time home buyer over high density rental properties	3/8/2021 9:26 AM
62	Not enough affordable duplexes to 4plexes with some land around them for kids to play	3/8/2021 8:32 AM
63	I do not support subsidizing the housing costs of other people	3/7/2021 3:37 PM
64	greed is human nature that can't be changed.	3/7/2021 11:48 AM
65	TOE should play a major role in providing affordable housing-aAffordable housing in the range of \$800-900 a month-1500 a month is NOT AAffordable	3/7/2021 10:48 AM
66	This is a tough challenge. I am opposed to raising building heights, would support a well thought out miniature home development somewhere, I have a strong sense that building more amd more housing s not the answer to preserving the unique nature of Eagle.	3/6/2021 9:26 PM
67	Electricity is so expensive	3/6/2021 8:50 PM
68	Need more affordable single family homes for families with multiple children	3/6/2021 7:00 PM

71	No, all good!	3/6/2021 4:31 PM
72	I am for affordable housing. But not necessarily when it is squeezed into a corner lot and brings 100 additional cars that the current traffic infrastructure may not be able to handle.	3/6/2021 3:48 PM
73	No	3/6/2021 3:36 PM
74	If there could be more affordable options for single family detached housing rather than condos or townhomes.	3/6/2021 10:36 AM
75	I am concerned about the growth of high density housing in old eagle. Old Eagle is looking it's old town charm.	3/6/2021 10:08 AM
76	Make the developers build 4 lane roads throughout town of eagle before another development is approved. Make them pay for the water treatment plans required, not the current or past residents.	3/6/2021 9:43 AM
77	Let's renovate over building new, discourage rental price gouging, and tax people who don't live in their homes full time. Empty homes all over the valley is repulsive in the face of so much economic insecurity in this valley.	3/6/2021 9:15 AM

81	Please end new devopments, greatly changing this small tiwn	3/6/2021 7:56 AM
82	Water/sewer costs are obscene. Golf course and eagle ranch properties need to have desert flora. This is not Michigan.	3/6/2021 7:09 AM
83	The town should spend more time figuring out infrastructure and stop trying to build build build	3/6/2021 6:26 AM

86	Affordable housing	3/5/2021 10:03 PM
87	Your survey is vague, we have multiple children in a variety of school situations and housing is ridiculously high. We could never afford our house at it's current value at our income and we've been with VR for 35 years!	3/5/2021 7:38 PM
88	A skatepark would he a welcome amenity by the pool.	3/5/2021 7:35 PM
89	Housing pricing in Eagle make it very difficult for young families without wealth to be able to buy here. My grown children would love to live in Eagle but can not afford it. "Affordable" housing that starts at \$375,000 is hardly "affordable"	3/5/2021 7:34 PM
90	Stop making deals with shakey Developers- how many projects have blown up in the past 3 years.?The TOE needs to partner with a developer to build TRULY AFFORDABLE HOUSING!!!To afford a \$1500 dollar a month apartment, one needs to make 50-60k!what VR employee makes that?	3/5/2021 7:33 PM
91	Continue to focus on higher density subdivisions. That will help keep housing costs low, right now there is no inventory so people have skyrocketed listing prices of homes.	3/5/2021 7:26 PM
92	Make it easier to build high density homes in business district.	3/5/2021 7:23 PM
93	Unattractive building with too many units being squeezed on site. Inappropriate rezoning to allow this.	3/5/2021 7:20 PM

95	I'm so thankful I own a home because I wouldn't be able to afford one if I had to buy right now.	3/5/2021 6:43 PM
96	Build housing we can be proud of. Do not squash as many units as possible on each parcel of land	3/5/2021 6:03 PM
97	Roads will need to be expanded	3/5/2021 6:00 PM
98	We need a good mix of housing - clustering multi-family units together is not creating diversity, we need a mix of housing units. Also limit the opportunity for second home owners to buy in Eagle.	3/5/2021 10:49 AM
99	Habitat for Humanity partnership would be great!	3/4/2021 8:03 PM
100	It's becoming a huge problem how unaffordable purchasing housing in Eagle has become. It's not realistic for year-round locals. My husband and I are considering moving because the cost of living is so high and job opportunities so low.	3/4/2021 7:03 PM
101	Regardless of recent "traffic" studies that have been reported, our transportation infrastructure can not accommodate the proposed number of new residences that have been proposed.	3/4/2021 4:23 PM
102	Please make sure "affordable housing" is not a catch-all term that leads to people living in undignified situations	3/4/2021 3:19 PM
103	Don't pack beautiful open spaces with housing; growth is important but not at the expense of our vistas/views that make our town so desirable. Partner with other communities to provide housing that doesn't impact our open spaces.	3/4/2021 1:10 PM
104	We hope to buy, unfortunately the only options we have that will support our combined income are small places that will never invite the idea of expanding our family. Basicallg, we want kids we have to leave Eagle.	3/4/2021 12:05 PM

2021 Community Survey: Town of Eagle

105	It is not taxpayers' responsibility to provide affordable housing. The businesses & industries that generate these jobs paying minimum wage should be responsible for that.	3/3/2021 11:22 PM
106	I'm not concerned about being able to afford my current home in Eagle, but I worry that I cannot afford the type of home I would like to own (more of a yard) in Eagle.	3/3/2021 9:47 PM
107	We DO Pay to Play (and LIVE) here. This is not welfare-if you want welfare move to a city with a homeless shelter. I've worked hard my entire life to afford to live here. You must work to get things, like the privilege of living in Eagle.	3/3/2021 7:44 PM
108	I understand the need for work force housing in our valley. It does seem that the vast majority of efforts in that regard are landing in Eagle.	3/3/2021 7:16 PM

116	I dont see Eagle and retirement friendly	3/1/2021 8:58 PM
117	Eagle needs to look at allowing condo or multi level housing	3/1/2021 7:41 PM
118	Low inventory and high demand are making it hard for residents to stay in town if they need to move. For example a young family that may need more space for growing kids will sell their home quickly but struggle to find another home in the town of Eagle.	3/1/2021 11:28 AM
119	We need diverse and affordable housing options near the downtown core	3/1/2021 7:33 AM
120	I am fearful that I will be unable to retire here, and I am close.	3/1/2021 7:19 AM
121	Further growth should be very limited, & not encouraged. Concentrate on catching up services & quality of life for those who already live here, instead of stealing it from us. Natives of Eagle who've been here 1970 or before shouldn't have to pay property or school district taxes. Any new building projects should be contingent on ensuring provision of adequate provision for churches, child care and education facilities to correlate with children who could come in; also senior facilities and services for housing that would draw seniors. You should help small businesses work together with business-zoned properties to help them afford running a business (develop agreements that would be mutually beneficial). I would like to see growth LIMITED. Although census numbers show that it's about doubled, it seems like it has quintupled in size in the last 25 years. I moved here for quality small-town community life for my family, and since then it has added subdivisions (I've lost count) on all sides, traffic lights & then roundabouts that have me feeling lucky I wasn't in an accident each time I get through them, restrictions on trail access that isn't even the town's jurisdiction, control-freak/Nazi-like animal control officer that harassed us, and so many strangers with out-of-state, big-city, unfriendly "strangeness" that I feel lucky if I see ANYone I once knew when I go out to get the mail or groceries. Town gov. needs to remember that allowing unchecked growth takes away from the quality of life for which people originally moved here; let alone the natives who have had their small town & rural quality of life stolen by the hordes of newcomers. The new huge apt. or condo complexes being added on high-traffic corners are just going to exacerbate the feeling that Eagle is turning from "Mayberry" into NYC/Denver character.	2/28/2021 10:09 PM
122	New communities without proper infrastructure is a huge mistake!!	2/28/2021 7:50 PM
123	Use density as a tool to advance objectives and partner with private sector to help	2/28/2021 6:53 PM
124	Stop building more housing until traffic solutions are added	2/28/2021 12:43 PM
125	All new housing should have public transportation access	2/28/2021 12:41 PM
126	Slow the growth until infrastructure catches up	2/28/2021 8:51 AM
127	There is no affordable housing for young single people looking to own and the jobs available don't pay enough for them to live here.	2/27/2021 2:53 PM

2021 Community Survey: Town of Eagle

129	I'd like to see the town avoid Denver style density developments	2/26/2021 6:03 PM
130	Question#2 did not allow more than one issue. We need cluster boxes in new developments. Every business day standing in line at post office not knowing how things will ship and getting chastised by postal workers if it has a # instead of X when we don't control how other computer software systems send to our area is ridiculous	2/26/2021 5:03 PM
131	More opportunities to own a larger space at a resonable price per square foot	2/26/2021 3:43 PM
132	More affordable housing is required in the town centre close to the bus route.	2/26/2021 2:34 PM
133	No more tiny places to be built. Too congested already. Most are investment and we should not allow that here! It's already ruined the valley. Buy it - live in in at least 9 m of the year! No renting unless lock off.	2/26/2021 2:06 PM
134	Not enough affordable housing	2/26/2021 8:56 AM
135	More Income based housing/rent	2/26/2021 8:27 AM
136	Projects like Haymeadow is an additional reason why the cost of loving here is becoming unreasonable	2/26/2021 8:09 AM
137	I have worked in the valley since 1994 doing service, so I have seen a lot. Until I delivered food for Thanksgiving and salvation army, I could not believe the places that people were living. Very sad. And I blame this on people taking advantage of others that are in poor situations and others that just turn a blind eye, No inspections, no taxes, no pelalties to make sure location is safe and providing a sanitary condition. I believe that if you are going to provide places for people to live it must be livable. No fancy, just safe.	2/26/2021 8:07 AM
138	I would prefer to see more multi family dwelling, less large homes	2/26/2021 8:02 AM
139	I think that traffic and congestion need to be addressed with every new housing development	2/26/2021 8:00 AM
140	Stop approving housing with no plan to minimize the impact of traffic on existing neighborhoods.	2/26/2021 4:10 AM
141	Why so few apartments and entry level housing?!	2/25/2021 11:05 PM
142	Continue to work with Eagle County to develop attainable housing, down payment assistance and rational deed restricted housing. Continue to add attainable housing to new subdivisions and redevelopment parcels. Partner with larger employers to add employee housing.	2/25/2021 10:24 PM
143	stop building homes for more people without providing infrastructure to support	2/25/2021 7:02 PM
144	Don't expand large apartments those are fine for singles up valley but not the core vision of Eagle place in the valley	2/25/2021 4:10 PM
145	more lenient laws on building attachments to existing houses or building small home on property with original home.	2/25/2021 4:05 PM
146	Eagle County has employee housing, but not Eagle in its own back yard?	2/25/2021 2:50 PM
147	I have housing due to family history, would be nice to increase potential of old town housing first before more Eagle Ranch expansion, have noticed increase in lower cost options that are likely helpful	2/25/2021 11:55 AM
148	We need more affordable housing and Vail Resorts should be paying for and leading this effort as the largest employer in the valley	2/25/2021 11:15 AM
149	We are grateful to live in a TOE deed restricted house	2/25/2021 11:13 AM
150	Why send this to me? Not one question about us on the other side of the hill that still lives in Eagle County.	2/25/2021 11:11 AM
151	Short term rentals reduce the available housing stock for affordable rentals	2/25/2021 10:37 AM
152	Build up. You ain't destroying any views of I-70. Enact a real-estate transaction tax that goes towards affordable housing and open space.	2/25/2021 10:29 AM
153	We need more diverse housing choices to maintain our workforce - even if that means more "traffic". We need to realize that the folks who don't want growth are typically those that purchased homes in Eagle Ranch, which was growth at its best/worst.	2/25/2021 10:19 AM
154	Road infrastructure needs to be updated along with housing growth	2/24/2021 10:03 PM

162	Don't sell out to developers. Make development worth it to existing town homewoners	2/24/2021 10:39 AM
163	the minimum square footage has increased the second homeowners and appeal of Eagle to upper middle class at the expense of middle class working families. There should be single family smaller homes as part of any new construction	2/24/2021 10:24 AM

179	I worry about overdevelopment of our open spaces and sacrificing the small town character of Eagle.	2/23/2021 7:52 PM
180	It is impossible to live alone in this valley and town. As a single professional, this is embarrassing and depressing. I am now engaged, but we still cannot afford to purchase any housing in Eagle, but have no desire to leave. I have had to move several times due to increasing rent or the landlord selling. This is a terrifying way to live. Please help lower housing costs (this means homes available for less than or around \$400,000, not just condos available for this--actual homes. With garages!)	2/23/2021 7:51 PM
181	The town might want to do a housing analysis to better understand the available housing stock that currently exists in town. How many townhome/condo/apt/DEED RESTRICTED units exist in town, for example. I suspect this is unknown to most decision makers pushing for more development or increasing density of existing areas. If increases in housing densities are being considered, I hope the town is analyzing the resulting increased need for town services such as sidewalks, water and sewer, code enforcement and public safety.	2/23/2021 5:05 PM
182	New housing development prices should be rent controlled	2/23/2021 5:00 PM

252	1. The Town of Eagle's housing challenges are largely due to supply and demand, in other words there is a strong demand and inadequate supply of housing to meet that demand. This in turn drives up the cost of the housing that is available. This supply and demand issue is prevalent across Colorado (https://www.shiftresearchlab.org/projects/housingunaffordability). 2. The lack of housing diversity in Eagle makes it challenging for folks of different income levels to find housing at price points that is "affordable" to them. 3. The increase in and addition of new fees imposed by the town is making it increasingly challenging to build "affordable" housing products in Eagle. 4. Town regulation and policies need to be changed to encourage/facilitate a greater variety of housing products and a greater range of price points.	2/13/2021 11:44 AM

276	Good strategy: build a dense urban core with surrounding open space.	2/10/2021 11:21 AM
277	I respectfully request consideration be given to maintaining Eagle's quality of life by prioritizing open space and wildlife habitat. All across the county, towns are building housing to ensure affordable options are available which is beneficial. The concern is when expansive acreage is removed from wildlife habitat, they will no longer be able to survive here. They were here first and one of the magical attributes of living here is waking up to see deer & elk outside our door. Is it possible to expand housing downtown to utilize land that is already developed for loft housing for example, rather than building 800 homes in Haymeadow where deer and elk depend on that land for winter grazing. If multiple towns are building housing that takes away wildlife habitat, we will further deplete our herds that are already down by 50% according to CPW. Incorporate wildlife habitat into land use planning to ensure development occurs in areas they don't rely on.	2/10/2021 10:05 AM
278	Do not build anymore housing until Highway 6 is addressed	2/10/2021 8:15 AM
279	Encourage higher density, ADUs/lockoffs, etc to allow homeowners to offset the high cost of housing and provide rental opportunities. 284	The main problem with housing is that everyone feels entitled to live in a 1.5 million dollar house in Eagle Ranch and they get offended that they can't.	2/9/2021 6:22 PM
285	With the influx of out of state second homeowners during the pandemic and those that I know having their parents buy homes I'm very afraid that Eagle is going to turn into Avon and Vail where most homes sit empty a majority of the year. It's extremely frustrating to see locals getting priced out of home ownership by second homeowners. Many times out of state homeowners are not invested in the community the way full time locals are.	2/9/2021 6:14 PM

With the approved Haymeadow development and infrastructure complete why is it just sitting there with no additional structures (homes or recreational)? that we have. Having studies that also show the cost of development would help as well. One of the reasons why construction is so expensive here is because materials have to be trucked in, in many other areas of the country that have freight train service cost of construction tends to go down. I'm also supportive of unions for construction trades, quality of construction is increased exponentially when there is union training.

374	The continued increase in utility costs we eventually negatively affect many homeowners and renters.	2/8/2021 3:52 PM
375	If one can afford to live here they will, or they can move.	2/8/2021 3:51 PM
376	Vail Resorts is the largest employer in Eagle County and surrounding counties. Locals can no longer afford to work for Vail and live in Eagle let alone Eagle County	2/8/2021 3:48 PM
377	Skate park asap ;)	2/8/2021 3:43 PM

380	Salaries don't properly reflect the cost of housing.	2/8/2021 3:38 PM
381	No	2/8/2021 3:35 PM
382	A lottery or locals priority system for new developments to allow ppl living and working here opportunities to buy too, ie Miller ranch . So many friends are shit out of the market due to increased demand	2/8/2021 3:32 PM
383	Housing diversification is important. We don't need more detached single family housing. We need affordable options for younger residents.	2/8/2021 3:30 PM
384	Work with businesses that want to come to Eagle. Towns that have businesses work with them! ie RED DEVELOPMENT.	2/8/2021 3:28 PM
385	It's already out of our control. We can't contain greed. And any additional housing inventory simply invites other problems (e.g. diminishing the small town feel and overall quality of life by increasing traffic and, likely, crime). TOE could partner with Gypsum and/or Eagle County for higher density housing developments near airport.	2/8/2021 3:28 PM
386	Haymeadow PUD was a mistake in it's current for, Custom homes similar to Eagle Ranch drive good earning local jobs, track homes from an out of town developer do not.	2/8/2021 3:27 PM
387	I am 5th generation from Eagle county and I can only afford to stay here because I was lucky and got a habitat home 4 years ago.	2/8/2021 3:26 PM
388	Town owned transitional housing that could be rented while people new to the community search for housing.	2/8/2021 3:25 PM
389	Persons born here aren't able to live here due to the cost and there's little help or incentive to stay	2/8/2021 3:24 PM
390	We can but a house for a family of 4 for 450,000-525,00. There is not one house for that price and size. NOT one! I am a service worker, teacher. We cannot find a housing that is in our price range. We are losing students every year because families can't afford to live here. Old people and second homeowners is what the place will be.	2/8/2021 3:24 PM
391	Put a stop to new development	2/8/2021 3:24 PM
392	What has been advertised as "affordable housing" is not affordable in my opinion. Truly affordable housing is consistent with what the average household income is compared to cost of living	2/8/2021 3:21 PM
393	I whole heartedly open space however I hate seeing dinky, entry level units with no yard, yet the developers would do open space on the property for the conservation easement benefits. I'd rather see less open space if the units had individual yard space and a more relaxed feel.	2/8/2021 3:21 PM
394	Would like to see patio-style, smaller homes for seniors	2/8/2021 3:17 PM
395	\$1000+ per bedroom is crazy; so much of our workforce cannot afford that!	2/8/2021 3:16 PM
396	More affordable single family homes housing. Eagle Ranch has priced out the majority of our	2/8/2021 3:16 PM

	community. Need another Terrace, decent sized single family homes with yards in the 500-700k range.	
397	Regarding trail closures - make it equitable. A trail is closed to running/biking near logging operations and construction. Makes no sense.	2/8/2021 3:16 PM
398	the only way to bring housing costs down is to increase the supply. And that focus should be on relatively affordable low to med density housing.	2/8/2021 3:15 PM
399	Way too much housing being approved without adequate infrastructure	2/8/2021 3:14 PM
400	It would be nice if all the development costs were not just passed along to the home owner through bonds, making developers put more skin the game would make thing easier on home owners in the long run not having to pay more in property taxes, HOA dues. Try to make things simpler for future property owners.	2/8/2021 3:14 PM
401	Family culture is supported by home prices and home design being family focused. Low income housing and smaller units brings many dynamics that don't build the family oriented community that exists.	2/8/2021 3:13 PM
402	concerned that the new construction planned down Brush Creek road will cause overuse of road - need to understand where all those cars will go	2/8/2021 3:13 PM
403	Water is getting too expensive	2/8/2021 3:12 PM
404	No more new housing until traffic impacts are studied	2/8/2021 3:12 PM
405	When the Town looks at development proposals, look for a variety of housing options, not just rentals.....I belive owners make better contributions to the community. Start approving simple requests for zoning changes based project merit current goals and not outdated land use rules. Go out of the way to approve new or existing business requests, make sure all staff is non confrontational and biased with actions or decisions, be as user friendly as possible.	2/8/2021 2:51 PM
406	Need to identify areas where lockoffs and apartments are not appropriate - but encourage them where they are	2/8/2021 2:41 PM
407	Affordable housing is a huge issue. Although I am not currently planning to move, if I am unable to buy a house (as the rental situation is not great) within the next few years, my family will relocate out of the area	2/8/2021 2:36 PM
408	Encourage ADU's discount tap fees to encourage as those might be a barrier to building units.	2/7/2021 6:16 PM
409	I do not see the TOE having the ability to do much with housing other than the permit process. They have to get their won act together before any real economic incentive programs can occur that could have a real impact. Right now, the TOE is giving away the small town feeling for developments that want to come in, while not keeping up with the infrastructure for the roads, like high way 6, which is falling apart, yet, the TOE has taken over the maintenance and such. The lack of faith in the TOE and Public Works ability to manage these and other roads make s me afraid for the future for this community.....	2/7/2021 3:00 PM
410	maybe create some multifamily homes	2/7/2021 8:45 AM
411	adequate infrastructural improvements in roads - especially Hwy 6/Grand Avenue - are essential as Eagle's population grows	2/7/2021 8:22 AM
412	Allow people to add ADU's to their current homes.	2/6/2021 3:37 PM

People have tried a lot of different businesses and it has been really hard to make them fly, and I don't have any really brilliant ideas. Nearly everything store needs to revive their cred as the place to go for outdoor stuff.	3/9/2021 7:08 PM

66	Stores/restaurants that are easy to grab something inexpensive but trendy (like The Bookworm) with room to socialize, eat a yummy unusual snack, buy a gift. Also, a killer pizza place with good ambiance like Hot Tomato (fruita), where teens and families can hang out. Expanding a bike shop to have a side biz like coffee shop/bar (like Full Cycle in Boulder). A burger, fries and shake place, like Larkburger. 166	Take out the sidewalk intrusions that have taken away so much parking. I've talked to business owners more than once who lament that people have passed their store by because of no place to park. I am one of those potential customers that, because of no place to park on main street, did not stop. Return Broadway to its wide, old-western street character & wealth of parking. I also don't like trying to drive through when people act like the street is a pedestrian mall. It is still a main thoroughfare to the highway, and to get the mail. Stop trying to be VAIL. If people want to live in a pedestrian mall with self-watering planters & flowery landscaping, let them move to Vail or Boulder. What do I think this is, the Wild West? Yes, I think it still SHOULD be. Where cars, trucks, and horses can go through the main street.	2/28/2021 10:22 PM

432	We'd love to have a business on Broadway. But it is too expensive to rent and many of the buildings are in bad shape. Get owners that make those buildings better (which is happening) or offer first and second year subsidy to start up businesses to ensure they can survive.	2/9/2021 11:58 AM

472	More inviting	2/8/2021 10:06 PM
473	Make a plan? It is so eclectic between old and what appears to be abandoned residential, the everything store that has nothing, overpriced clothing, it is a hot mess. I tend to think a Riverwalk type area that has residential over commercial, walking distance to good food and bars, entertainment at Town Park and brewery, not that far of a bike ride to Eagle Ranch. A ton of potential for young professionals if you did it correctly.	2/8/2021 10:02 PM

531	More retail and dining vs 9-5 businesses	2/8/2021 4:26 PM

608	This was addressed in a prior response about the culture, values, and attitudes of both the TOE government and business attitude being entitled, unfriendly, and uninviting and unwilling to seriously look at how this combines to make the business and government attitude less than appealing for people to invest in the future of this town... TOE leadership has to seriously do some soul searching and truth telling about how they have treated people and the long term effects and impacts it has on not building loyalty with it's citizens and the business community.... It all works hand in hand, and the "Good ole Boy" culture of this town kips it from moving forward in a meaningful fashion. With the advent of on line shopping, there is no community loyalty built up that encourages locals to buy local... I would rather give to Amazon than give my money to a local company that has treated me poorly for years and does not value my business..... That is part of why I dislike the monopoly that a "Town Government" has in providing "services" as they have no incentive to improve or do business in a better, friendlier, efficient manner.... Think about it, the TOE has shot it's self in the foot for years, and continues to do so, because it takes pride in "Being Weird." How crazy is that?????? Please hear what is being said and who this town has traditionally responded by "Attacking the message, and Defending the same old way of doing business."	2/7/2021 3:18 PM

156	Make decisions that discourage further population growth, follow suggestions in prior questions for business & economy, catch up with, improve, & maintain well the public services you've got. Then encourage community activities that appeal to the diversity of the present population, to encourage them getting to know one another. It needs a basic GROCERY store instead of foo-foo expensive coffee shop. I call Eagle Ranch "Noveau Eagle", a bunch of new, young families or displaced Vail wannabes who have relocated here because of the cost of living up-valley, with whom I would feel a fool trying to socialize. The concerts in the Eagle Town Park used to be such, but have grown so big, that we now avoid them. With the greater numbers of strangers, and strangers who brought with them their big-city dependencies and therefore big-city political leanings, I am made to feel that I do not fit in this community, where I worked for and served the public for more than 30 years. Vibrancy comes from life and joy - most of which springs from positive relationships. I feel alienated in (my?) own town, by the huge, unfriendly horde of newcomers. People who pass one on a walking path and won't even return a smile or a "hello". People who trespass on my lawn & then justify it because they don't agree with my political choices. What kind of neighbors are these new people? We do not need MORE of these. Nor do we need to cater to more families for whom there are not adequate services, like churches, child care, youth services, and EASY ACCESS TO RECEIVING and SENDING MAIL.	2/28/2021 10:22 PM

394	Eagle ranch needs a grocer, like the Village Market proposal from a few years ago. Also, there needs to be a Post Office annex somewhere in town as the current post office is overwhelmed (or, ideally, we'd get street delivery). Eagle Ranch would be a good spot for an additional post office facility. It would draw more walking traffic to the commercial center there, a positive for those businesses.	2/9/2021 10:03 AM

For a growing older population (60+), would love to have 2-3 pickle ball courts (similar to Gypsum) in Eagle Ranch. The pocket parks in the Highlands would be perfect for a pickle ball court or paddle tennis.	2/9/2021 8:25 AM

If this is eagles vision to revamp eagle ranch, it should be considered to band like businesses to different areas. It's a nice area but odd to have random business intermixed like dental offices or title companies.	2/8/2021 4:42 PM

22	Lowering tax and license requirements	3/20/2021 6:03 PM
23	Working better with the resort communities that eagle supports. The reality is that eagle will never employ all of its residents. The eagle county communities should work together to put housing where people want to live, box retail stores together, industry in one area and keep the resort areas pristine but in return they should be helping support the feeder communities. Can eagle reverse the terrible decision not to annex the airport? Costco area. Eagle does not need more stores outside its core area. We love thought out small boutique stores can survive, chain stores will spoil eagle. I believe the answer lies in working equitably with other towns in the county not trying to go it alone. ?	3/17/2021 9:14 AM

30	Make housing more affordable	3/13/2021 7:25 AM
31	Be more inclusive. My friend enrolled for the Eagle Bucks and was not listed in the letter that was distributed. 36	Expand downtown zoning encourage more development in Old Eagle instead of Chambers	3/9/2021 11:17 PM
37	Eagle could use more small, innovative manufacturing. Recreation as an industry is only going to get us so far - we're already severely impacting the wildlife. Restaurants and amenity-type businesses rely on people with steady jobs. So small-medium manufacturing & upgrade broadband!	3/9/2021 7:08 PM
38	The survey should have left affordable housing and lowering cost of living separate. New houses with 0 lot line going in 700s will never be affordable and cramming townhomes on every corner in the 400 doesnt counteract those costs. How do we attract and keep families when they face losing childcare to rent issues? Businesses cant pay ever rising rent, how long did all the units in Eagle ranch thakr at get a business in them and what's happening now?? Empty again....rent.	3/9/2021 5:48 PM
39	Find great fit businesses and subsidize their start up on Capitol or Broadway. Update the pool to be more attractive to groups other than families with young kids. Get the ER Golf Club to put a fantastic restaurant in at the clubhouse with plenty of outdoor seating (think Harvest at Sonnenalp golf club). That spot right there is a missed opportunity!	3/9/2021 3:56 PM

54	Clothing stores, Shopping, community housing	3/6/2021 9:51 PM
55	Eagle is supremely positioned as a destination mountain biking location. Perhaps another motel like a Hampton Inn or something could a.) add to the tax base, b.) add a few more jobs and c.) avoid more overdevelopment and permanent burden on infrastructure such as water etc. we should have an Eagle half-marathon, and try to organize National level mountain biking events. I would like to see the agricultural nature off the town improved and horseback trail rides such as the ones at Bear Cat stables in Edward's	3/6/2021 9:41 PM
56	Keep cost reasonable and affordable	3/6/2021 7:07 PM
57	Get rid of the BMX purse and put in a Mtn bike park with jumps. No one rides BMX anymore.	3/6/2021 7:00 PM
58	Eagle downtown is a small area and will probably stay that way. The river park attracts a lot of young people who may be interested in food and drinks purchases from a food vendor over there. They may also be interested in overnight camping	3/6/2021 5:23 PM
59	More restaurants	3/6/2021 4:37 PM
60	Support local business	3/6/2021 3:41 PM

66	Support local businesses and entrepreneurs	3/6/2021 8:18 AM
67	Expanding on the passenger train line from eagle to resorts. Establishing and developing a train station area with parking and services. Workers could ride the train to work, eagle residents could ride into Beaver Creek. People from communities along the train line could come to Eagle to fish, golf, use the trails	3/6/2021 8:08 AM
68	More restaurants and/or existing restaurants being open during the week for lunch, especially downtown Eagle Ranch	3/6/2021 7:56 AM
69	Just about any event that is promoted seems to do very well. So more events. A farmers market. A badass rec center with a huge outdoor event space and skateboarding park. Campgrounds. Recreational events that draw from the whole state.	3/6/2021 7:41 AM
70	Improve hwy 6	3/6/2021 7:26 AM
71	Fortune 500 high tech software/technology company	3/6/2021 7:14 AM
72	Solutions to extremely high rent, some sort of small business startup assistance	3/5/2021 11:51 PM
73	Better Internet. (Really! Weak and inconsistent and I have to travel to apartment in Denver if I "have" to have 100% reliability).	3/5/2021 10:44 PM
74	More sustainable businesses	3/5/2021 8:42 PM
75	Need a gym with weights, exercise equipment and classes	3/5/2021 8:40 PM
76	Rent breaks for businesses	3/5/2021 7:41 PM
77	We need to continue to focus on what is becoming more exciting about Eagle. Mountain Biking and Whitewater sports. If we can continue to focus on attracting that demographic and give them a place to stay, camping for example, hopefully that will lead to increased revenue for local business. Seems like people visit for day trips, but have no where to camp and then leave before spending money.	3/5/2021 7:38 PM
78	Starts with affordable housing near Broadway.	3/5/2021 7:30 PM
79	Attract higher education opportunities.	3/5/2021 7:25 PM
80	Not qualified to answer, summer resident	3/5/2021 7:04 PM

2021 Community Survey: Town of Eagle

81	Making eagle more inviting. It's horrible looking when you arrive from the East. You can't tell what a cute town eagle is from the interstate. It appears so industrial.	3/5/2021 6:56 PM
82	Don't know	3/5/2021 6:05 PM
83	Attract more visitors with a good anchor store that caters to opportunities locally like REI or similar. Create a indoor play area for kids which has an area for adults to socialize	3/5/2021 10:59 AM
84	More signage off I-70 about activities: Home of X miles of mtn biking, locally owned and operated businesses, annual Christmas Parade, and Endurance Races.....something to temp people to want to learn more about Eagle as they drive by.	3/4/2021 9:25 PM
85	Lowong cost of living, including housing. More affordable housing. Attracting more businesses for more stable employment opportunities.	3/4/2021 7:11 PM
86	Supporting new small businesses and restaurants	3/4/2021 12:10 PM
87	STOP the socialism of funding/trying to make business "easier" as this survey is implying on attempting to accomplish- this always fails- it is up to the businesses THEMSELVES to survive. They figure it out. The agile/nimble survive (with and without covid); the smart biz owners figure it out.	3/3/2021 7:53 PM
88	create standards that grow new and enhance existing businesses in the right way. Grand Ave is an eyesore. Let's create some opportunity zones that incent business to locate in specific zones (retail vs service etc) and according to a common aesthetic.	3/3/2021 7:28 PM
89	clean up the town	3/3/2021 5:00 PM
90	Lower sales tax.	3/2/2021 3:03 PM
91	Affordable housing options are critical, and smart growth will create the critical mass needed to support local businesses.	3/1/2021 9:38 PM
92	Retail space is over the top for regular people to break into.	3/1/2021 7:31 AM
93	We don't need to encourage growth in terms of more business space, or more people to start businesses; more desirable to fill up the business spaces you have, giving opportunities to stable, long-time citizens who already live here & would like to stay here, sustainably ; be able to afford to have a business in their chosen field, vs. drawing a bunch of NEW residents who come & go, creating havoc in the rise & fall of numbers of school children & school funding, etc.; give locals the chance to live here & do business, rather than being turned into people who feel like displaced, insignificant peons to serve all the invading out-of-staters; let US benefit instead of the big corporations & people from out-of-state. See replies to prior questions: Find ways to help the business facilities Eagle already has, to be sustainably filled; give incentives for landlords of business-zoned properties to lease affordably to small businesses; do not over-regulate businesses; Encourage development of a quality RV Park, campground, and truckstop (i.e. the Golden Gate Truck Plaza at Silt, Pilot, Love's, Flying J; facilitate small business partnerships/ leases with mutual benefits for small business owners & their landlords so they can afford to have a business location; for craftspeople & artists, create venues both INDOOR and OUTDOOR for affordable opportunities to market their arts/crafts/wares; a flea market, etc. Use the Eagle Info/Welcome Center to DRAW customers off the highway INTO TOWN and TO businesses (consult Town of Vail model); lift restrictions if any which limit people doing such businesses from their homes	2/28/2021 10:22 PM

165	For my answers to q41 above. i have had both vaccines now, so I am more comfortable personally than I was a couple of months ago. I think that it is important to create more economic opportunities within the town of Eagle, but I also think it is equally important to keep the small town charm that we all love. I would not like to see big box stores, factories etc. open up here. I think that Eagle has other big towns and cities close enough that can support us in those aspects.	2/17/2021 11:56 AM

We probably can't change that, but even my wife and I that make enough to live here and have no kids are looking at moving because we can get so much more for our money elsewhere. 226	I think the Art Walks and concerts were really starting to kick off before the pandemic. I think that was going in the right direction. Extending Broadway North towards the Eagle River would be a big one. Buying the land and developing that area would be huge. Hwy 6 needs to be more welcoming then it is right now. By the time someone driving from the airport sees an inviting restaurant on the South side there is no where to turn around or park and walk back. If the town is going to spend all that money on landscaping these big projects they should have the knowledgeable staff to maintain it.	2/9/2021 1:25 PM
227	I'd like the town to keep the small town vibe and I'd like to see more tourism. Eagle has great recreation opportunities we just need to tap into it.	2/9/2021 1:05 PM
228	A couple of small bed and breakfast or super cool boutique hotel that attracts folks who want to come and mountain bike, use the river park, hang at the brewery or maybe in the winter upvalley is just to much would be great for revitalizing Broadway during those sleepy weekend days. But you need to strike that balance and have places people want to go that makes locals want to stay and visitors to come and spend money.	2/9/2021 12:38 PM
229	The fairgrounds is a great space but under utilized. Concerts, events, lots of opportunities besides just rodeo and similar things. I know it is a part of our heritage but I wonder how many people living here now actually go to anything there more than 1-2 times/year.	2/9/2021 11:58 AM

278	Need focus on traditional economic development. Seeking out opportunities rather than waiting for them to come	2/8/2021 4:34 PM
279	Very difficult concept in the day/age of online shopping. Bars and restaurants seem to do well, especially if they're affordable (and, nowadays, have suitable outdoor seating). Perhaps we need to make downtown more inviting to pedestrian traffic and less inviting to cars.	2/8/2021 4:33 PM
280	follow through with the commercial area east of town	2/8/2021 4:31 PM
281	?	2/8/2021 4:28 PM
282	We have to make it easier and more welcome for those trying to start a new business or bring different ideas to our town. And not just with funding but with over regulating.	2/8/2021 4:26 PM
283	As someone who started a biz in October, it was strange that it took two months to hear back regarding if my license was approved. Not sure if that's normal or just something weird that happened. But other than that it was easy to start a business. Affordable quality childcare would really help unleash the potential of young mothers	2/8/2021 4:24 PM
284	Encouraging development.	2/8/2021 4:24 PM
285	I think the town could help subsidize new business costs and create better housing options to attract more employers and employees	2/8/2021 4:24 PM
286	Attracting businesses that have been successful in other locations and can bring that same plan to Eagle is important. It's really difficult to know and find out about local businesses, it's mostly through word of mouth. When we go to a business and it is closed it's a turn off. Businesses that have a strong plan and a strong online presence as well as strong communications will do well here. I think outdoor rentals would do very well here. I also think that it would be awesome to have a furniture store or reclaimed wood store here in Eagle. Trader Joes is always at the top of my list for businesses that would make everyone happy. Also having a Menards would be amazing, they are different than Home Depot and Lowes and they would do very well here. I'm not as interested in a Cabela's or other large scale outdoor retailer, but I think that type of business would do really well also. Construction companies in the valley are largely located in Eagle, we need to do a better job of providing a true commercial area for those companies. They also employ a lot of people in Eagle, but development does not support their business model. We have a lot of businesses on Chambers that would do better in other locations and vice versa, we have businesses on Grand Ave and in West Eagle that really should be on Chambers.	2/8/2021 4:23 PM
287	Marketing campaign to draw people here with ideas to spend 36 hours in Eagle.	2/8/2021 4:21 PM
288	Fee and tax firebearance for at least first year for start ups	2/8/2021 4:17 PM
289	Are there ways we can capitalize on the Colorado brewery and beer culture? What amenities do we NOT have in this area of the valley? What could the community create to be a "must do" adventure?	2/8/2021 4:16 PM
290	Make HWY 6 look like Eagle is a great place to live and buy goods.	2/8/2021 4:11 PM
291	The grade of services we can offer to visitors do not reflect our costs. If we could upgrade the experience in Eagle for visitors nearly all industries could develop	2/8/2021 4:08 PM
292	Require net zero buildings and houses. Focus on green energy jobs and training.	2/8/2021 4:02 PM
293	First, better and more reliable internet. Then, making it easier or subsidizing new businesses in Eagle and easing up on (what I can only assume) are many restrictions and high costs that prohibit new & diverse businesses.... even if these changes are temporary to help recover from the pandemic.	2/8/2021 3:58 PM
294	Lower taxes and regulations	2/8/2021 3:57 PM
295	Diverse industry	2/8/2021 3:54 PM
296	Grow local business. Allow for cheaper rents. Identify greatest needs for businesses and encourage people to start them.	2/8/2021 3:50 PM
297	More supportive funding for new businesses	2/8/2021 3:48 PM
298	Easier and less expensive	2/8/2021 3:42 PM
299	When we can keep events coming in, hs state champ for biking, block party, community dinners, expanding demo events for running/biking all the things	2/8/2021 3:40 PM

302	Develop the downtown envelope with bars, dining and shops	2/8/2021 3:36 PM
303	I feel we need to start with the businesses that are currently here and in business. How do we support them more? How can we assure their success? I believe this needs to be figured out before we think about bringing in more businesses. Filling our empty spaces before building new structures after our current businesses are stable and successful	2/8/2021 3:36 PM
304	Lower rent less taxes	2/8/2021 3:33 PM
305	Be wonderful to see perhaps some sort of trade school. Perhaps a cooking school? Would love to see organic type industries, ie, artistic, handmade goods.	2/8/2021 3:33 PM
306	It's not all about money. Keeping Eagle small and respecting the wildlife is the most important. I don't really want to see more business, just better ran businesses. Traffic and people are ruining this town. I've seen it grow from 600 people to 6000.	2/8/2021 3:31 PM
307	I think we need an indoor kid activity center down valley. It would create jobs, offer a place for parents to hang and gather, and a place for the non skiers/riders to spend time on the weekends. Also, can we get a Target or a Trader Joe's? A camping gear store would be awesome here for all the people who stop here on their way west. I also think a good inn/b&b would be amazing here--cater to the mbx community.	2/8/2021 3:28 PM
308	enhancing and encouraging outdoor recreation attractions	2/8/2021 3:28 PM
309	Fast casual restaurants and a Gypsum style rec center. Both businesses would create many new local jobs and badly needed services	2/8/2021 3:26 PM
310	Tax incentives for new business that fill a desired need. Town Subsidized rent to fill vacant retail space. Riverside development opportunities.	2/8/2021 3:25 PM

attention, but people have a lot they are dealing with to live here and unless those decisions are promoted, people just don't have the bandwidth to take notice. The town council (at least in the circles I interact with) seems to have their own agenda when it comes to developing land for housing...they say they listen to the citizens, but that is not how it feels. Unfortunately, our economy seems to be entirely dependent on development, so it appears it is a huge beast to feed. I also entirely understand that more inventory should lower the cost of housing, but there has to be other ways than just developing every open piece of land. It appears from the layman that we have MORE than enough people living here to support a vibrant an

53	Only if you are part of the "good ole boys club" will you be treated with respect.	2/11/2021 2:31 PM
54	Improvements can be made Latinx inclusion	2/11/2021 2:10 PM
55	what events? They all got canceled with zero attempt at getting creative like every other community. Our latino population is poorly served.	2/11/2021 9:47 AM
56	This is a hard question to answer given how connected the community feels, but there are some groups that are harder to ensure feel welcome to get involved that will take an extra effort to reach.	2/10/2021 3:59 PM
57	Until event leadership is intentional more diverse, events will continue to be by and for older, affluent, white people (which also describes me)	2/10/2021 2:30 PM
58	have done nothing for Hispanics!	2/10/2021 8:30 AM
59	I feel they are meant to be inclusive, but don't see our latinx community at many events. I do feel like the projects and events try to be accessible but wonder why we don't see a more diverse population at many things	2/9/2021 10:22 PM
60	It is too heavily geared towards mountain biking. There are many people in this town that aren't interested in biking trails or music festivals.	2/9/2021 6:48 PM
61	I love events but don't often see representation of Spanish speaking friends/they feel less welcome than me	2/9/2021 5:01 PM
62	We just moved here but things seem accessible	2/9/2021 4:18 PM
63	The Town of Eagle does a good job with events. Many of the sidewalk curb cuts in Eagle and Eagle Ranch do not have proper truncated domes for ADA/Draft PROWAG. The new storm sewer grates in the gutters of the Haymeadow subdivision are a hazard for bikers- some of the gaps in the grates are longitudinal and wide enough to catch a bike tire and flip a rider. Some of the pedestrian crossings could be improved in Eagle/Eagle Ranch.	2/9/2021 3:03 PM
64	I feel like they are "accessible" but could maybe see what can be done about attracting more long-time multi-gen locals and our latin community to major events.	2/9/2021 2:27 PM
65	Geared towards younger newer residents	2/9/2021 2:12 PM
66	I feel that our family events are not very equitable. Town concerts, I love them but it's one kind of person that comes. We have an entire Hispanic population that doesn't show up. Diversity the music a bit.	2/9/2021 12:47 PM

2021 Community Survey: Town of Eagle

67	I feel like these are accessible to all, but often the decision has been made already by the town and the communities voice isn't seriously considered	2/9/2021 10:13 AM
68	Horrible communication about events!!!! For example, dates for festivals and events should be online 6+ months in advance.	2/9/2021 9:34 AM
69	I am new to Eagle and not really qualified to rate town services	2/9/2021 9:23 AM
70	This is also a yes, I feel there should be better communication to the community, how I do not know, on events, public notices, alerts, etc.	2/9/2021 9:15 AM
71	I love the small town feel of the events although they will continue to grow. Growth is great but how do we keep the small town feel?	2/9/2021 8:53 AM
72	If possible more events for seniors to meet.	2/9/2021 8:37 AM
73	Continue and expand summer jazz and classical series	2/9/2021 8:29 AM
74	That is a very broad category for a simple yes or no. While I think the town as a whole is inclusive, the outreach about a lot of the programs/events/services is missing some groups. The intention is inclusion but the outcome is that certain groups remain much more engaged than others.	2/9/2021 8:29 AM
75	The our community table event was all about bringing people together and it was all rich white people.	2/8/2021 9:16 PM
76	I don't think we offer enough events and services to lower income families	2/8/2021 8:37 PM
77	time for new sidewalks.	2/8/2021 7:06 PM
78	I'm in a position of privilege, so can't speak for how it feels to others	2/8/2021 6:01 PM
79	trash STEALS our money, they wont respond. you wont respond. icy sidewalks not cleared. big patches of ice in roads not cleared.	2/8/2021 5:40 PM
80	However I usually don't hear about half of the events unless I happen to be driving by or the following day	2/8/2021 5:32 PM
81	What events are produced by the Town?	2/8/2021 4:43 PM
82	Too many fees and rules for small non-profit fund raising events	2/8/2021 4:34 PM
83	It would be nice to see more effort made to include our Hispanic/LatinX residents in town events. There seems to be a divide there.	2/8/2021 4:28 PM
84	Can we please get mail delivered to our homes? It seems very unhealthy in a pandemic to go to a place everyone in town has to go to. Also, it is very difficult and frustrating to even get mail and packages.	2/8/2021 4:24 PM
85	mostly	2/8/2021 4:15 PM
86	I don't believe we do much outreach to the Hispanic community. Not much attention is paid to their needs or issues.	2/8/2021 4:11 PM
87	a bit skewed either toward drinking or to families / kids. We have room to hit in middle. Jazz? classical? More connection with Bravo?	2/8/2021 3:50 PM
88	Not handicapped/ physical disabilities friendly	2/8/2021 3:45 PM
89	Town events are all beer and jam bands.	2/8/2021 3:26 PM
90	Water rates/trash/sewer are too high.	2/8/2021 3:26 PM
91	Tried to outreach to the TOE for years about projects, services, and events in the TOE. They do not listen, and instead "Attack the messenger, and then defend the old response to the way they do business." I tell all my neighbors, friends, and associates that living next to a TOE owned property is like living next to a bad neighbor..... The TOE does a terrible job of managing special events, and acts like it has to reinvent the wheel every time a weekly event comes up. The TOE fails to learn from prior events, fails to preplan in advance, and only responds in a defensive fashion after people call to complain about the same problems over and over again. This strategy has had a negative long-term impact on the negative perception of the TOE and how it does business and it's reputation with the citizens of the TOE... You would think the TOE would have thought about this and done something about it, but it's old play book of "attack and defend" has worn thin leading in a lack of respect, credibility, and lack of faith in how it does business and how it represents the citizens of the town and it's overall	2/7/2021 3:40 PM

viability. The TOE is dying and loosing it's place in the Greater Eagle County community.....
When will they hear what has been told to them for years and start to make amends to the
town folk of Eagle?

117	This survey is great for engagement. It is lengthy, so as opportunity & issues arise, survey! Eagle Ranch HOA notifications are under utilized communication channel by TOE.. Question #52 below is fantastic, as a great resource that I have not utilized to date.	2/20/2021 1:13 PM
118	would love to see everything on one site. right now some info is in one place but not others. Have to visit too many places and hunt-and-peck to find information even when I know what I am looking for	2/19/2021 10:06 AM
119	Centralize communication. Right now it's confusing as to where we're supposed to go to access all info for the town, is the the town website, the eagle outside website, the e-blasts, etc. There are too many avenues and not all information is shared across all of them. Also HOAs is not a good way to communicate as I rent and my landlord doesn't share anything with me that is sent by the HOA.	2/18/2021 2:33 PM
120	Send emails	2/17/2021 2:53 PM
121	Maybe I am not aware this is an option, but I think the Town should communicate via email. If the Town does this, then I don't need it from the HOA. I see when there are meetings, but I never see anything that communicates updates, decisions, etc (like Elevate Eagle, or frankly, any of the items on the list below).	2/17/2021 11:24 AM

125	Be more consistent, make it user-friendly. Currently, you have to know where to go to find information and the website is not super user-friendly.	2/16/2021 10:27 AM
126	Weekly list of events etc on social media, email and website	2/16/2021 7:47 AM

128	I'm not sure. I find the communication sufficient.	2/15/2021 2:42 PM
129	Post opportunities to get involved	2/15/2021 2:36 PM
130	Right now, I feel that citizens need to be proactive to know what's going on. I consider myself proactive and still miss important events and decisions. The Town needs to be the one to be Proactive through emails, texts, etc...We also need to hold meetings at night and on weekends when the working crowd can attend.	2/15/2021 2:05 PM
131	ask , post it at the post office board	2/15/2021 12:32 PM
132	Let us know the good & the bad. Communicate frequently. More social media. More photos.	2/15/2021 10:20 AM

118	Ease of travel	2/23/2021 5:03 PM
119	Making it enviting and pedestrian friendly.	2/23/2021 4:53 PM
120	Pedestrian access needs improvement, turning east on Grand Ave in the morning from the original Eagle grid can take a long time, people turn into the old town grid from Grand Ave like it's a highway exit (high speeds)	2/23/2021 4:46 PM
121	Grand avenue is sadly not vibrant or interesting.	2/23/2021 4:41 PM
122	Traffic, traffic, traffic	2/23/2021 3:05 PM

2021 Community Survey: Town of Eagle

127	Add another freeway on/ off ramp to this area	2/22/2021 1:42 PM
128	Make as easy for a bike or pedestrian to use Highway 6 as a car.	2/21/2021 10:22 PM
129	safety, bike/pedestrian friendly, aesthetics, accurate reflection of town culture	2/21/2021 7:22 PM
130	Improving the look and feel of the corridor and limiting the number of access points to create a more pedestrian friendly feel. Provide public parking in the plan	2/21/2021 8:09 AM
131	Improve traffic flow. People speed around the corner from Broadway to Capitol making it difficult to get into Hwy 6. I cant tell by the photo of your plan if there will be a round about there or what you will do for improvements. I only hope that you will make improvements at this intersection.	2/20/2021 3:52 PM
132	Stakeholder participation. In particular, I would like to be involved. Determining flow of traffic, identifying pedestrian/bike- friendly options, ensuring appropriate infrastructure, environmental sustainability taken into consideration.	2/19/2021 2:47 PM
133	Making the corridor more attractive more business or building more housing	2/19/2021 10:34 AM
134	Grand Ave is an embarrassment to drive along. It is dirty and the businesses are unappealing. Gives no one a reason to stop on their way to the airport or Costco	2/19/2021 10:06 AM
135	clean it up.	2/17/2021 2:53 PM
136	Making traffic accomodations during peak times	2/17/2021 2:53 PM
137	I was unable to view plans and study and finish questionnaire.	2/17/2021 2:33 PM
138	We need to cut off the airport & costco traffic to/from Gypsum. Grand Ave is getting out of control and will be a disaster when the growth in Eagle continues	2/17/2021 11:24 AM
139	No parking variances, limited building hts.	2/17/2021 10:43 AM
140	sustainable design, attracting passerby's to the business districts, bike path connectivity	2/17/2021 7:32 AM
141	Fixing access to auto Grand Ave and walkability	2/16/2021 8:38 PM
142	Appearance and traffic flow	2/16/2021 5:43 PM
143	Access. utilities, well planned process	2/16/2021 5:02 PM
144	Vibrancy. Consideration for closing to vehicle traffic, restoration of building fronts, connecting to river park. I also think some consideration should be given to purchase of the property west of the bridge over the Eagle River and conversion to river access or riverside dining	2/16/2021 12:23 PM
145	Improving traffic flow to support more businesses & housing along the corridor.	2/16/2021 10:27 AM
146	complete bull pasture bypass and redevelopment of west eagle	2/16/2021 8:45 AM
147	Access management and walk ability	2/16/2021 7:47 AM
148	Consider walking/biking access, parking, and traffic flow.	2/15/2021 2:42 PM
149	It cannot be long range, we need action now. Highway 6 is already congested in the morning, afternoons and on weekends.	2/15/2021 2:05 PM
150	You need a turn lane all along this whole grand ave corridor and or roundabouts near 2nd street. Theres only 2 exits in and out of eagle and it gets gridlocked quite often	2/15/2021 12:32 PM
151	Walkability, Promote business growth, Safe traffic circulation, Sense of place	2/15/2021 10:20 AM
152	Add turn lane to middle of highway 6, improve aesthetics, unfortunately it's just an ugly hodgepodge of stuff, shield the welding operation from the street (or move it).	2/15/2021 5:56 AM
153	traffic management	2/14/2021 12:46 PM
154	having it look more attractive and better flow for driving	2/13/2021 3:24 PM
155	I have never heard of any of the plans, studies or assessments that are mentioned above	2/13/2021 12:16 PM
156	1. There's an opportunity to put a "face" on downtown Eagle by designing Grand Ave in such a way that promotes pedestrian-oriented development between 5th Street and Capitol Street. 2. Incorporating on-street parking along Grand Avenue could substantially increase the availability of parking in the downtown area. 3. Designing Grand Avenue as multi-lane thoroughfare would be detrimental to the downtown area and connecting the downtown area to the river.	2/13/2021 11:59 AM

2021 Community Survey: Town of Eagle

157	make it look nice	2/13/2021 10:45 AM
158	mail out info on the Town plans. I haven't heard of most of these!	2/12/2021 10:13 PM
159	Brush creek road	2/11/2021 5:52 PM
160	Ease of road use and beautification	2/11/2021 3:16 PM
161	Left hand turn lanes, landscaping, better lighting, noise mitigation, ways to decrease the amount of traffic (other bridges across the Eagle River).	2/11/2021 2:31 PM
162	Add median, make bike and pedestrian friendly.	2/11/2021 2:10 PM
163	Easing vehicular traffic and enabling pedestrian traffic	2/10/2021 8:43 PM
164	Finding a perfect balance of form and function	2/10/2021 3:59 PM
165	sustainable desirable business	2/10/2021 3:16 PM
166	walking, bicycling lanes and aesthetics (trees, grass)	2/10/2021 12:27 PM
167	The Gypsum/Airport area needs their own exit. Eagle missed the boat by not annexing the area west of town. Not that area uses our roads but we don't get tax revenue.	2/10/2021 12:10 PM
168	Change feel from disorganized rural to suburban or urban	2/10/2021 11:39 AM
169	Rec path to connect west Grand Ave. to the new rec path. Curbs and sidewalks and trees. Rotary at 3rd and Grand. Passenger train.	2/10/2021 10:28 AM
170	Moving forward and getting at least the roads in place	2/10/2021 8:30 AM
171	Managing traffic flow, creating business opportunities, road maintenance	2/10/2021 6:08 AM
172	Traffic management & sustainable construction	2/9/2021 7:53 PM
173	That it doesn't happen. If it does make sure the developers are the ones who pay for infrastructure upgrades. Instead of approving a development and then increasing water and sewer to the people who already live here.	2/9/2021 7:46 PM
174	better traffic flow on hwy 6, turn lane!	2/9/2021 7:04 PM
175	If we are going to tie in the river to the community we need to make access more convenient if you plan to make it a walking area. At this time all though the river park has engagement and use I do not think it is necessarily bringing tourism dollars to the community. What is most important is that we do not patch work the downtown to all other areas around the community. We need one main hub.	2/9/2021 6:14 PM
176	Anything to help with traffic congestion	2/9/2021 5:47 PM
177	Noise and speed control.	2/9/2021 5:25 PM
178	Communicating with bull run so we know what to expect	2/9/2021 5:01 PM
179	Creating a vision for Grand Ave (similar to the Eagle River Corridor Master Plan) that communicates to potential developers and business owners that we are serious about healthy growth and beautification of our "front door" from the airport.	2/9/2021 4:33 PM
180	Grand Ave presents a HUGE opportunity to change the face of Eagle, business opportunities, shopping/dining/bar/music, etc. I hope there is the vision, patience, and money to do it the right way.	2/9/2021 3:59 PM
181	better access to get to highway 6 from all neighborhoods	2/9/2021 3:39 PM
182	safety of community and traveling public - reduce access points to Hwy 6, improve pedestrian access and crossings throughout, not to lose the uniqueness of Eagle through this area while improving safety for all users, including the deer who like to cross.	2/9/2021 3:03 PM
183	the efficiency of the entire process	2/9/2021 2:14 PM
184	Traffic flow	2/9/2021 2:12 PM
185	Engaging Property Owners to get commitment and input. The stretch of highway is in need of landscape and since Bonfire closed the road which I do agree with, it does look really unattractive with all the cement barriers and orange signs saying Road Closed.	2/9/2021 1:16 PM
186	Either a center turn lane or four lanes. Improve the impression this corridor leaves on those that pass through our town. It doesn't begin to show you truly what Eagle is about.	2/9/2021 12:52 PM

2021 Community Survey: Town of Eagle

187	Talking with Gypsum to get a new exit off I-70 to the airport.	2/9/2021 12:15 PM
188	Make Grand Ave Corridor not look so crappy, doesn't make people want to pull over and stay	2/9/2021 11:35 AM
189	Increase traffic flow & funnel traffic to Broadway	2/9/2021 11:05 AM
190	This area is the biggest opportunity for Eagle. Sections of town are totally disconnected. Block out on Chambers, in downtown, in Eagle ranch. Hwy 6 is a big impediment to connecting Downtown to anything else. Improvements on the hwy 6 corridor, and development on the for sale parcel across hwy 6 from Broadway, could be used to connect Chambers, river park, and Broadway via walking paths, and generate the density needed in that area to create a vibrant combined downtown.	2/9/2021 10:19 AM
191	Public involvement early in the process so ideas and feedback can be incorporated into the project	2/9/2021 10:13 AM
192	More lanes to move traffic efficiently. Large walking / biking paths on BOTH sides of Grand Avenue.	2/9/2021 10:07 AM
193	river access from segment 2 or 3 if possible allowing river goers a better access point to local business's on and around Broadway	2/9/2021 9:54 AM
194	get the railroad involved. Bring a depot back to life	2/9/2021 9:25 AM
195	Traffic impact and making it look nice	2/9/2021 9:18 AM
196	I was not able to completely see where this is intended, if it is from where 5th street meets hwy 6 to the south out of town, out towards brush creek, then I would be interested in what the intentions would be for this area, as it is a hazard at the moment and needs to be addressed, pedestrians, traffic, access to the fair ground foot bridge, ect.	2/9/2021 9:15 AM
197	Address vitality of the corridor, mitigate traffic issues, support multi-modal travel (local and regional)	2/9/2021 9:04 AM
198	Growth is inevitable. Creating space for retail/restaurants that is easy to access and affordable.	2/9/2021 8:53 AM
199	Frequent communication around goals, objectives, outcomes and milestones.	2/9/2021 8:32 AM
200	linking Brush Creek Rd to US 6	2/9/2021 8:29 AM
201	Balancing the need for traffic flow and commercial development.	2/9/2021 8:29 AM
202	I like the idea of commuter rail to upvalley(Avon).	2/9/2021 7:12 AM
203	Phasing of public improvements that make redevelopment scaleable !	2/9/2021 6:28 AM
204	Public access to the Eagle river	2/9/2021 5:59 AM
205	The final proposal with an honest cost and revenue analysis. I am not opposed to paying more in taxes and fees if I feel these funds are being spent wisely and the final product is sustainable. The Eagle Spur Road project looked great immediately after completion and appears to be in a slow decline. Guard rails are mangles, street lights are missing the dandelion problem looks terrible. The entrance to Edwards always looks amazing, summer and winter. Try modeling that - nice but not excessive planting beds, great weed-free turf, and tasteful holiday lights. When the walking path was installed along Highway 6, there were nice planting beds with mulch, shrubs, etc that have all been overrun by grass and not maintained. I beg you - DO NOT - spend my tax money on improvement projects that you don't plant or have funds to maintain.	2/8/2021 10:32 PM
206	By the time we start doing instead of talking, the town will probably commission a new study....	2/8/2021 9:21 PM
207	easy ways to gain community feedback - in person - when we can do that	2/8/2021 8:37 PM
208	A middle turn lane and breaking up traffic at some mid-way point.	2/8/2021 8:09 PM
209	Sage pedestrian access such as sidewalks on the south side of the corridor, improved traffic flow	2/8/2021 8:05 PM
210	traffic	2/8/2021 7:57 PM
211	???	2/8/2021 7:31 PM
212	Clean it up, Provide access from Brush Creek Rd	2/8/2021 6:47 PM
213	Having a direct connecdtion between Brush Creek Road and Route 6	2/8/2021 6:36 PM

2021 Community Survey: Town of Eagle

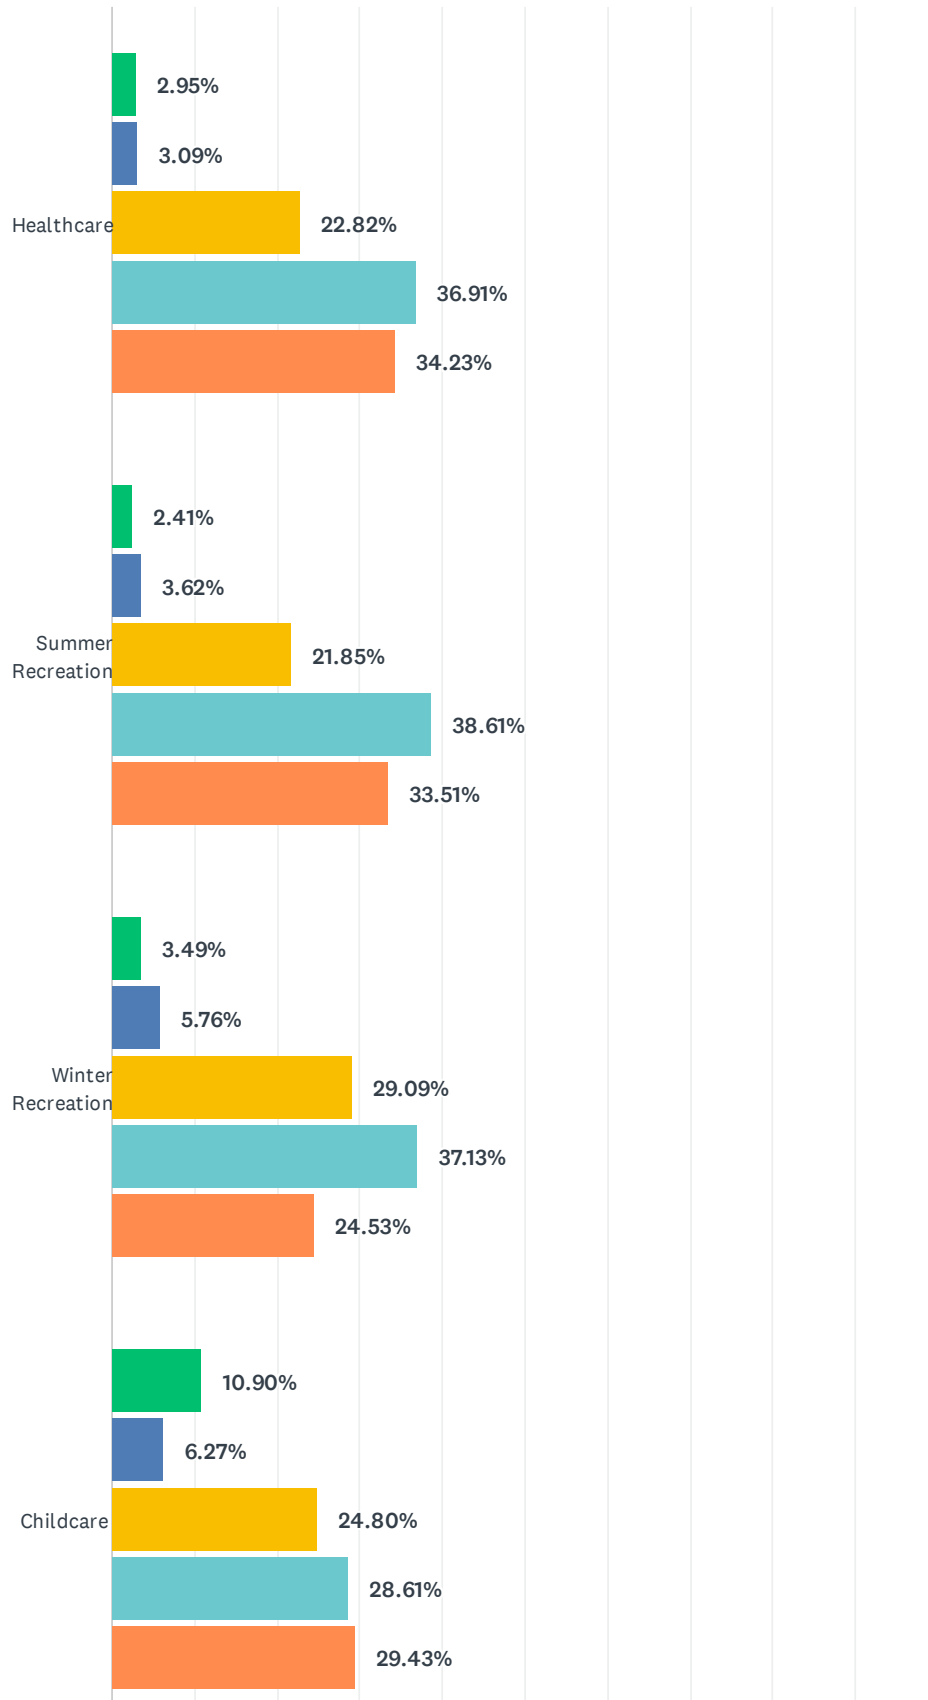

214	This is so half ass. It's like putting the bike path so dam close to the street that you didn't look into the future and think hmm might need to widen the road at some point. The plans you have are reactive not proactive. But what do you care if it falls in the budget.	2/8/2021 6:06 PM
215	Due diligence and transparency	2/8/2021 6:01 PM
216	the town has never made us aware of these plans. this is very upsetting. they may be fine, I do not know. but not to be told about them is just plain wrong	2/8/2021 5:40 PM
217	Leave it alone.	2/8/2021 5:34 PM
218	Grand Boulevard Feel on Grand Ave, pedestrian path extension, center turn lanes, limit angled street intersections; A second future access to I-70 but not east of main interchange; west of existing interchange where the development and residential access is	2/8/2021 5:29 PM
219	An inviting, clean atmosphere, with plants, lighting, and curbs	2/8/2021 5:28 PM
220	walkability, cycling design, improved traffic control	2/8/2021 5:25 PM
221	Easing congestion while maintaining agricultural areas as much as possible	2/8/2021 5:25 PM
222	Improving traffic flow. We live in eagle and it takes 30 minutes sometimes to just get to the interstate.	2/8/2021 5:01 PM
223	Sidewalks and turn lane	2/8/2021 4:43 PM
224	Get it done. Don't let a few voices lead you to a bad conclusion. The public is not always right.	2/8/2021 4:43 PM
225	Communication	2/8/2021 4:34 PM
226	Do it right the first time.	2/8/2021 4:33 PM
227	So excited about this, the land use and traffic management are really exciting. Strong design standards would be really helpful. If we can relocate some of the businesses here to Chambers and maybe encourage some of the Chambers businesses like dance, karate to locate to Grand that would be awesome. Also Grand Ave seems like the perfect location for a couple really cool boutique hotels that could support the airport, Broadway businesses and recreation tourism.	2/8/2021 4:32 PM
228	Traffic, especially in the mornings.	2/8/2021 4:28 PM
229	It would just be nice to be able to pull out of my neighborhood street without waiting 10 minutes for traffic to die down.	2/8/2021 4:24 PM
230	traffic & walkability	2/8/2021 4:15 PM
231	Leave room for parking diagonally. Smooth sidewalks so you ban push a wheelchair.	2/8/2021 4:13 PM
232	Would need to learn more	2/8/2021 4:12 PM
233	Finding the money or partners to make the vision happen. This is the fourth plan in 25 years and none have come to fruition.	2/8/2021 4:11 PM
234	Moving railroad right of way parallel to the freeway, divide highway 6.	2/8/2021 4:03 PM
235	Rt 6 looks like a 3rd world country! Stop putting residential in the middle of industrial parks, aptments, on the 1st floor of business zones etc.	2/8/2021 4:03 PM
236	Speedy repair of the road surfaces	2/8/2021 4:02 PM
237	Public feedback	2/8/2021 3:54 PM
238	Traffic management, creating connection to Eagle River Park, developing Pedestrian mall areas accessed from Broadway	2/8/2021 3:54 PM
239	more discussion... I've not heard of it or seen it until now.	2/8/2021 3:50 PM
240	more attractive to the eye.	2/8/2021 3:43 PM
241	That deer have safe crossing of Highway 6 and traffic be thinned out.	2/8/2021 3:38 PM
242	That you're reaching out to all Eagle residents, not just white English-speaking ones. We have a fairly diverse community and it's imperative that all voices are heard.	2/8/2021 3:33 PM
243	making sure before more dense housing is built that the infrastructure is in place. currently the roads cannot handle the current traffic when busy	2/8/2021 3:30 PM

249	Safety and effectively managing the increased traffic demands	2/8/2021 1:29 PM
250	beatification.	2/8/2021 9:25 AM
251	That we eliminate the blight and have a better window to Eagle. Divided roadway with landscaped medians, min access points to turn south from US 6. Create a harmonious frontage that represents the Town of Eagle instead of just a drive through roadway.	2/7/2021 6:34 PM
252	This area of town is already behind the curve. I have little faith that the TOE will do a good job. The Town of Gypsum is far more on the ball and is far more proactive in it's maintenance, development, and planning than the TOE ever will be... Please see some of my comments to above questions for the reason for my lack of confidence and feelings of optimism..... I hope it will change, but until I actually see and hear of the changes in how the TOE does business and a change in leadership and outreach to the community, it will be same old stuff.....	2/7/2021 3:40 PM

11	more everyday resources in town, to avoid having to drive out of the area or order on-line. if quality businesses were available in the town, i would shop local. I'm sure it's too late to do anything about it - but minimize the haymeadow development - with that many units, traffic and infrastructure will not be able to cope and the overall quality of life will be negatively impacted with an influx of so many more cars and people - not to mention the loss of the rural small town vista that is forever lost.	3/25/2021 1:49 PM

17	Official Nordic Ski course/club like they have in Vail. More opportunities for youth- camps, internships, etc. Keep Rodeos part of the summer activities-we have the perfect space and don't use it enough	3/17/2021 1:37 PM
18	Stop building,,	3/16/2021 8:40 PM
19	There needs to be less stigma when in need of help	3/16/2021 4:22 PM
20	I suppose ultimately identifying and encouraging public benefit companies, making it dead simple and affordable for small businesses to get established, encouraging collaboration (locally sourced vendors and product) - businesses that work in symphony, pay a living wage. I'm a big fan of the mixed use spaces and love things that have developed.	3/15/2021 8:46 PM

32	Eagle has a pretty high quality of life. If we want to keep it, we need to find a way as a community to get engaged with stopping climate change. I mean, what is up with all those higgledy-piggledy houses going up everywhere & not a solar panel in sight? Holy Cross is a leader in solar technology (with affordable housing, no less), so why aren't you making developers do that?Also, quit developing in the areas the wildlife needs.	3/9/2021 7:31 PM

63	Stop trying to make Eagle something other than on old west ranching town.	3/4/2021 4:41 PM

71	slow down	3/1/2021 7:41 AM
72	Limiting development of ANY more high-density housing developments at every turn. Limit population growth any way the town can do so. To let it continue, unchecked, takes away the very thing that has attracted so many people here. Enough is enough. Concentrate on SOME of the things in your plans - especially IMPROVING ACCESS TO POSTAL SERVICES, decreasing regulations/zoning, etc. that make it hard for licensed child care centers to exist legally, support your few CHURCHES any way you can; they are the most important foundations of community; schools are 2nd, recreation is 3rd.	2/28/2021 10:52 PM

100	Minimize second home ownership and short term rentals.	2/23/2021 10:41 PM
101	There are SO many families here and though we love the hiking and biking we need a much bigger pool, spray park, bigger/better parks, skate park, the Bluffs neighborhood needs a paved trail connecting it to the rest of the town!	2/23/2021 10:18 PM
102	I think having better park facilities would be great, to include a splash pad, camping for visitors. Also, a rec center like Gypsum would be good.	2/23/2021 6:58 PM
103	limit growth so traffic doesn't become a bigger problem - Hwy 6 goes into 1 roundabout so it doesn't necessarily matter if you widen hwy 6	2/23/2021 3:08 PM
104	Keep focusing on keeping Eagle's small town atmosphere. Rely on non-profits for social services. Use government for essential security, streets and roads, some utilities, parks and trails. Offering vaccines for all as quickly as possible and providing education for those that are on the fence whether or not to get it.	2/17/2021 12:12 PM
130	We can NOT create all of these things in Eagle...we need to leverage the resources in the entire valley. I'm supportive of many of the services, but NOT if you're implying creating them all in Eagle	2/17/2021 11:26 AM
131	drawing together the diverse ends of the Eagle community from second homeowners to people in trailer parks that don't speak English	2/17/2021 7:34 AM

191	It is important to remember that not everyone lives in Eagle to mountain bike or ski. Have other recreation options available for both individuals and families. I would like to see another attempt at the Haymaker Trailhead Plan, I only happened to learn of the planning event while at the Eagle Pool and Ice rink for another function and their was a booth set up on the lobby. I do not believe community involvement was well marketed, it would be worthy of an e-mail survey similar to this one. I think you will find strong support for recreation center, indoor pool, ice rink improvements and more kids camps. I mountain bike - I think our trail system is fine until we address these other issues that focus more on the whole community instead of very specific group.	2/8/2021 10:40 PM

Maybe a larger rec center could have something for young children and could offer hours outside of regular programing, it would be great if this could be some sort of partner program for this. Some sort of social community site would be amazing too, where parents can connect, new people to Eagle can connect, people who have similar interests can connect, not sure exactly what this looks like, but it would just be amazing to have other ways to connect with each other.	2/8/2021 4:39 PM

What we've done this past year

- Over the past year, EVC members built the infrastructure of the committee, formulated the role of the committee, expanded numbers and formed subcommittees:
 1. Marketing and branding for Eagle
 2. Data collection and benchmarks
 3. Working with regional organizations and resources
 4. Business recruitment and retention
- The EVC has supported and helped promote the Downtown Development Authority (DDA).
- We laid the foundation and helped guide what has become the Community Survey and Dashboard. This pioneering work by performed by Community Builders.
- We encouraged businesses of a type that the town needs in locations that serve everyone best – this was ad hoc at best.
- We played a role in supporting municipal Broadband as an economic necessity.

Mission for 2021

- ***We request input from the Town Council on economic development and vitality priorities and policy to finalize this mission and our plans. We will then:***

1. React appropriately from an economic development viewpoint
2. Initiate projects on our own to promote economic development

Further: where does Marketing & Branding fit with the Town's priorities?

- We are specifically guided by the Town's new Strategic Plan regarding economic development and vitality objectives, as well as the new Comprehensive Plan.
- Our short-term mission is aligned closely with these plans and Council's priorities (*to be determined.*)
- We will select 3-5 projects which support Town priorities, helping to inform policy and plans with the perspectives of citizens and the business community.
- Pending Council input our primary focus for 2021 is on three areas:
 1. Marketing and Branding for Eagle
 2. Community Survey Dashboard
 3. Business Recruitment and Retention

Workplan for this coming year (pending Council input)

- We will analyze the initial and the quarterly dashboard of Community Survey results and bring findings back to Council for information and recommended action.
- The Community Survey has triggered follow up questions. We can reach business folks who may not have time to respond to surveys. “Here’s what other people are seeing, what are your thoughts?” This will reveal the perceived strengths and weaknesses of doing business in Eagle, informing our work on recruitment and retention of businesses, as well as branding and Eagle’s Image.
- We continue to weigh the increase in Town sales tax revenue with mindfulness of the impacts on brick & mortar stores in Eagle.
- Continue to engage with and influence for broader, town-wide economic benefit: the DDA, Grand Avenue Corridor Study, Land-Use Code Update.

Discretionary Spending

With full direction from the Council on priorities, we will return with recommendations on use of the allocated \$100,000 discretionary spending by the EVC.
