PUBLIC HEARING

1. Full Charter Presentation and Public Hearing

Chair McFall opened the public hearing.

Bill Shrum gave a brief presentation on the Commission authority and steps taken.

Chair McFall provided his overview that he presented to the Eagle Town Board for the public in attendance. Attorney Mire stated he did make some changes, there was nothing substantive and will send out tomorrow. Commission will review prior to January 22nd and provide any final feedback on language.

Chair McFall opened the public hearing for comments.

Scott Schlosser - 390 Bluffs Drive. Inquired about Section 3.01 Town Council regarding clarification on partial terms as it relates to term limits. Attorney Mire provided that portions of a term do not count toward limits and is articulated in 3.01 (5).

Kent Rose 172 Bunkhouse Place. Expressed that he felt all seven council members should be elected at large and they should choose the mayor to serve for two-year term.

Todd Beckum 804 Brush Creek Ct. Would like the Commission to address Article 11.04 (2) and proposed to change language to 3-5 business days instead of no later than 5 business days. Felt there was free software available compare language to determine changes. Also felt 11.06 Procedure after Filing language should be changed from 30 working days to 30 business days.

Chair McFall requested comments from the Commission.

Commissioner Discussion: additional discussion with Mr. Rose regarding why he believed council should select the Mayor instead of voters. Further discussed reasoning to allow Mayor to be appointed to allow for qualified Mayor candidates to become Council Members. Commissioners explained that a person on the Council could run for Mayor and not lose their seat if they were mid-term, thus allowing for experienced Council opportunity to be Mayor if elected. Commission also explained that changing from elected Mayor to appointed Mayor was not Eagle's regular election protocol and could be a large change for voters and may cause issues with ability to vote in favor of home rule.

Discussion regarding using calendar days whenever days is used and business days for all specified instances. Consensus that calendar days would be redundant.

Discussion regarding changing the clerk review period from 5 days to 3 days. Attorney Mire provided further comment that this is currently a statutory requirement, and most do not deviate from it. The Commission remedied by increasing the number of days from 30 to 45 for petition circulation, which was intended to accommodate this request. Increasing the period is not common. The intent is to balance between competing rights. Commission agreed they extended the rights to petitioners with the changes made in the charter.

Public Comment:

Kent Rose expressed concern the charter had no provision for police department under the council. Commission stated that the Police Chief in Eagle will report to the Town Manager.

Discussion regarding the change in terms during the transition was briefly discussed. The transition will affect current board members with terms expiring in April 2022, which will be extended to November 2023 and those being elected this April 2020, will have terms extended from April 2024 to November 2025.

Discussion regarding changing board seated dates from January to November. Clarifying that the Commission agreed that avoiding lame duck council member from November to January outweighed taking office after a budget was adopted or was in the process of being proposed.

Discussion on 3.06 code of conduct and language change. Preference to include language “and behaviors” at the end of the first paragraph.

MOTION: Vice Chair Stavney motioned to make addition to Section 3.06 Code of Conduct and Ethics to include “and behaviors” to the first paragraph. Motion was seconded and passed unanimously.

Commissioner Wisor - left at 6:57 p.m.

Discussion on filling a vacancy when not enough candidates run in an election.

MOTION: Commissioner Snyder motioned to adjourn. Motion was seconded and passed unanimously.

(3) The Mayor, Council Members, the Town Manager, and the Town Attorney may attend executive sessions. (2) Every non-Town owned public utility, whether it has a franchise or not, shall pay such part of the cost of improvement or maintenance of streets, alleys, bridges, and other public places as shall arise from its use thereof and shall protect and save the Town harmless from all damages arising from said use.

THE TOWN OF EAGLE
CHARTER COMMISSION
CERTIFICATE OF FINAL ADOPTION

We, the undersigned, present members of the Town of Eagle Home Rule Charter Commission, duly elected by the people of Eagle, Colorado, at a regular election held on _____, under the authorization of Article XX of the Constitution of the State of Colorado, to frame a Home Rule Charter for the Town of Eagle, do hereby certify that the foregoing is the Proposed Charter as finally approved and adopted by the members of the Charter Commission on the ___ day of _____, for submission to the Town of Eagle Board of Trustees for referral to the people of Eagle at the general election of _____.

Respectfully submitted to the Board of Trustees at Eagle, Colorado, the ___ day of _____, 20__.

Proposed Motion: I move to submit the proposed Home Rule Charter to the Board of Trustees for placement on the ballot for the election to be held April 7, 2020.

IN GENERAL

- The FCPA is a state law that governs campaign finance – Found at Title 1, Article 45, Part 1 of the Colorado Revised Statutes and in Article XXVIII of the Colorado Constitution (Amendment 27)
- Section 1-45-117 of the FCPA restricts the use of public money in most campaigns – Restricts a public entity’s ability to spend public money – Restricts the ability of elected officials and employees of the public entity to spend public money – Prohibits any spending of public money on candidate campaigns.
- Applies to initiated or referred measures (including ballot questions or ballot issues – ie, TABOR questions), candidate elections, and recall elections
- The restriction on spending public money on ballot issues applies starting at the time when a ballot issue has been submitted to have a ballot title fixed, or when a referred a measure is formally submitted to the voters (via a resolution calling the election)

Things a Town CANNOT do

- A Town can’t expend public moneys from any source, or make contributions, to urge electors to vote in favor of or against certain ballot issues or measures (but see \$50 Exception, below)

Public moneys include:

- Copiers, computers, other Town supplies
- Staff time
- Town vehicles and other facilities
- Contribution means:
 - Money (whether it’s given directly or loaned, or a loan guarantee)
 - Things (gifts or loans of property) Anything else of value given for the purpose of promoting the ballot issue or measure “Urge” is defined by the courts: - Present, advocate or demand earnestly or pressingly - Taking a position favorable or opposed to - Conveying the message that the ballot issue or measure should be approved
- A Town may not make a donation in a campaign involving the nomination, retention, or election of any candidate
- A Town may not make a contribution for the purpose of making an independent expenditure
- Independent expenditure is an expenditure that is not controlled by or coordinated with a candidate

Things a Town CAN do

- A Town can expend public moneys to distribute a factual summary of a ballot issue or measure, but the summary must include arguments both for and against the proposal.
- The summary must not contain a conclusion in favor of or against the proposal (ie, must not urge a vote one way or another)
- A Town can adopt a resolution supporting or opposing ballot issues or measures

- News of resolution can be disseminated through regular, established means (other than paid advertising), like a monthly newsletter or regular email update

Things Town Board/Commission Members and Town employees CAN do

- Town employees and Board/Commission Members can respond to unsolicited questions about ballot issues or measures
- \$50 Exception: Town employees with policy making responsibilities (Town Manager, for example) and Board/Commission Members can spend no more than \$50 of public moneys in the form of letters, telephone calls, or other activities incidental to expressing opinions on a ballot issue or measure
- Note that the \$50 exception ONLY applies to ballot issues and measures, NOT to candidate campaigns; can't spend ANY public moneys on candidate campaigns
- Board/Commission Members may express a personal opinion on a ballot issue or measure or candidate campaign in their official capacity
- Town employees and Board/Commission Members may expend personal funds or use personal time to urge electors to vote one way or another on a ballot issue or measure or candidate campaign

Things Town employees CANNOT do

- Town employees can't express a personal opinion on a ballot issue or measure or candidate campaign during work time!
- Town employees can't work on a ballot issue or measure or candidate campaign during work time (unless the work is done on a ballot issue or measure pursuant to the \$50 Exception)

So.... (some real life examples)

- Don't call a bond election, and then use public money to pay for fliers supporting the bond issue
- Don't post information on the Town website advocating for the passage of a bond issue
- It's okay for a Town board member to publish a newsletter discussing a local ballot issue if he/she does so with personal funds
- Make sure your factual summary is balanced and even-handed and that you have about the same amount of both pro and con material; a factual summary may not express any opinion
- If you're an elected official, don't spend any amount of public money (even \$2.35!) on a letter supporting a candidate
- Don't try to aggregate your \$50 exception; you can't pool your own exception with 4 other Town Board/Commission members to spend \$250 of public moneys on a ballot issue or measure
- DO call your attorney if you have questions!
